Subject: Steps for Class VI primacy

Lisa and Lucita,

I've attempted to put together a list of remaining steps for ND primacy process. It will be useful for myself as well as providing briefings. Our new RA has already indicated interest in this process so I am sure a briefing will be requested in the near future, especially since he will be signing the FR notice this week or early next week.

Take a look at what I've done and edit away please.

Thanks
